About Harmonia Festival Choir

Harmonia Festival Choir is a unique non-auditioned, single-day community chorus in Baltimore County that brings singers together to rehearse and perform a full concert in just one day. Singers from across the region gather to share in the joy of music-making, forming connections and creating something beautiful together. Through innovative festivals, Harmonia celebrates the power of choral music to inspire, uplift, and unite our community.

Thank you for helping us bring this dream to life!
